DEPARTMENT OF PLANT SCIENCES UNDERGRADUATE COURSES

115 Plants for Health, Aesthetics and Recreation (3). Fall.

210 Horticulture: Principles and Practices (3). Fall.

220 Basic Landscape Plants (3). Fall, two sections.

226 Public Horticulture (2). Fall.

230 Interior Plantscaping (3). Fall.

250 World Food, Fiber and Forage Plant Production (3). Spring.

240 Turfgrass Management (3). Fall.

241 Turfgrass Management Lab (1). Fall.

280 Fundamentals of Landscape Design (3). Fall, spring.

290 Fall Herbaceous Ornamental Plants (3). Fall.

291 Spring Herbaceous Ornamental Plants (3). Spring, alternate (even-numbered).

329 Horticultural Interpretation: Educational Programming for Adults & Children (1). Spring.

331 Interpreting Research Findings (1). Spring (block).

341 Integrated Turfgrass Management & Environmental Benefits (2). Spring (block).

343 Entomology and Turf (1). Spring (block).

348 Landscape Plant Physiology (2). Spring (block).

350 Basic Landscape Construction (3). Fall, spring.

353 Plant Genetics, Breeding and Biotechnology (3). Spring.

360 Practicum in Landscape Construction (3). Fall.

370 Grounds Maintenance (3). Fall, spring.

380 Supplemental Landscape Design Graphics (3). Fall, spring.

410 Nursery Management and Production (3). Spring, alternate years (odd-numbered).

421 Native Plants in the Landscape (3). Fall, spring.

427 Management and Administration of Public Horticulture Institutions (2). Fall, alternate years (even-numbered).

430 Greenhouse Management (3). Spring, alternate years (even-numbered).

434 Fruit and Vegetable Crops (3). Fall.

435 Field and Forage Crops (2). Fall, alternate years (odd-numbered).

436 Plant and Garden Photography (2). Spring, alternate years (odd-numbered).

437 Public Garden Operations and Management (2). Spring.

439 Botanic Garden Practicum (1-3). Fall, spring, summer.

441 Advanced Turfgrass Management (2). Spring (10 week block as senior).

442 Turf Root-zone Construction (2). Spring (block).

446 Horticultural Therapy (3). Fall.

448 Horticultural Internet Technology (3). Fall, alternate years (odd-numbered).

449 Advanced Turf Practicum (1-3). Fall, spring, summer.

450 Specialty Landscape Construction (3). Fall, spring.

451 Plant Tissue Culture (3) (Same as Botany 451). Fall.

454 Plant Biotechniques (3). Fall.

457 Weed Management (2). Fall, alternate years (even-numbered)

458 Weed Management Lab, Turf (1). Fall, alternate years (even-numbered).

459 Weed Management Lab, Agronomy (1). Fall, alternate years (even-numbered)

460 Professional Practices in Landscape Construction and Management (3). Spring.

461 Statistics for Biological Research (3). Fall.

469 Teaching Practicum (1-2). Fall, spring.

480 Advanced Landscape Design (4). Fall, spring.

485 Computer Aided Landscape Design (3). Fall, spring.

492 Internship in Horticultural and Plant Sciences (1-3). Fall, spring, summer.

493 Problems in Horticultural and Plant Sciences (1-3). Fall, spring, summer.

497 Undergraduate Research Participation (1-3). Fall, spring, summer.
